

Saturday, August 27, 2011 – Administrators Track – Tripp Ballroom

7:00 AM Continental Breakfast

8:00 AM Welcome By Joan Kines & Clay Towns – Co-chairs

8:05 AM Legal Issues in the Implementation of an Electronic Health Record -
Barry S. Herrin, JD, CHPS FACHE

This session will highlight some of the front burner issues associated with the purchase, implementation, and operation of electronic health record systems, including definitional issues with the "legal" EHR, contracting issues, privacy, issues of liability, and how the HITECH Act and its regulations expand liability for different segments of the health care community when using electronic record systems.

9:30 AM Break

10:00 AM Speakers from Medicare/Medicaid
Argartha Russell, Department of Community Health
Bille Frazier, Hewlett Packard

11:00 AM More from the Hill - Q&A on Proposed 2012 CMS Changes
Bo Gamble – Community Oncology Alliance

11:30 AM Administrator Round Tables

12:00 PM Lunch Break – Windsor A&B

1:00 PM Communicating with Patients About the Cost of Care: A Toolbox
Elaine Towle Director, Consulting Services, Oncology Metrics

When concentrating on patient care, this is one topic all staff would like to avoid, but can't. This presentation will take you carefully through this patient relations minefield and provide you tools to be more effective.

2:30 PM Break

3:00 PM Survivorship Presentation/Joint with Navigators – Windsor D&E
Dick & Debbie Church (Breast Cancer Survivor) & Authors of "Don't Ever Look Down – Surviving Cancer Together"

4:00 PM Meeting Wrap-up/Surveys
Joan Kines & Clay Towns, Administrators Association Co-Chairs
