

Support GASCO's Mission

Founded in 1986, the Georgia Society of Clinical Oncology (GASCO) has become a nationally respected state society of physicians, practice administrators and affiliated healthcare professionals concerned with clinical oncology.

Our Mission

The Georgia Society of Clinical Oncology (GASCO) is committed to serving the needs of oncology providers in order to ensure delivery of the highest quality of compassionate cancer care.

Our Vision

- To advocate for cancer care providers
- To guide integration of cancer care through collaboration
- To be the acknowledged provider of supportive resources for members of the cancer community
- To support attainment of State Comprehensive Cancer Control Plan objectives

Our Values

GASCO is committed to:

- Promoting quality care initiatives
- Enhancing access to care
- Improving access to research clinical trials
- Integrity and transparency regarding resources
- Encouraging an environment of collaboration
- Providing services that meet the needs of members
- Addressing issues of relevance to the cancer care community

GASCO & the ACCC

GASCO membership includes free membership in the Association of Community Cancer Centers. The ACCC represents an extensive network of hospitals, private practices, and cancer care professionals nationwide. Membership includes access to the ACCC's analysis and educational information, networking opportunities and advocacy support from a unique multi-disciplinary perspective.

Why Join GASCO?

Gain Representation

National Policy Initiatives

- **GASCO** is a highly respected organization and provides representatives to organizations with major national initiatives important to oncology, including ASCO and the Community Oncology Alliance, that help determine clinical and payment policies in Washington, DC.
- **GASCO** works closely with cancer advocacy groups like the National Coalition for Cancer Survivorship to ensure that access to quality cancer care is available to all cancer patients.

Advocacy in Georgia

- **GASCO** is active at the state level on issues of significance to the cancer care community providing representatives to Medicare's Carrier Advisory Committee, the Georgia Cancer Coalition and the Georgia Center for Oncology Research and Education (Georgia CORE).
- **GASCO's** Legislative Committee educates GASCO members and provides important testimony to the Georgia Legislature for oncology related issues.

Share Expertise and Discuss Challenges through Education & Collaboration

GASCO provides numerous educational opportunities for our members at low or no cost on clinical topics or on improving the efficiency and effectiveness of their practices.

GASCO Programs Include:

- **Multi-Day Membership Meeting**
Brings together the reality of socio-economic issues, scientific advances, regulatory concerns and care delivery challenges as they apply to promoting high quality cancer care.
- **Administrators Educational Program**
GASCO programs include a multi-day spring Administrators educational program and GASCO University Programs.
- **Annual Best of SABC Symposium®**
GASCO programs include GASCO's annual Best of the San Antonio Breast Cancer Symposium® meeting
- **Grant Program for GASCO Members**
GASCO offers a grant program for members who wish to pursue an education in hematology/oncology, quality improvement, or a patient outreach program in their community.

Communication Tools

GASCO members receive:

- Email and fax alerts on meetings, commercial and public payor policy advocacy issues
- Online tools to members on our website (www.gasco.us) including an ASP calculator which can be downloaded and customized to monitor Medicare drug reimbursement from quarter to quarter, online meeting registration and archives on past educational presentations and materials.

"GASCO is your professional society. It represents you by addressing the issues most relevant to you as a cancer care professional."
